

Eye Exam and Eyeglasses Voucher – Teton Valley Vision Clinic - Victor

We believe every student has a right to an excellent education, which can only be attained when every student is ready to learn. Since corrective eyewear is a key ingredient for being ready to learn, you have qualified to receive one pair of glasses provided by the Teton Valley Education Foundation and participating funders such as the Community Foundation of Teton Valley.

Student's Name: _____
TSD#401 School and Grade: _____

Please bring this voucher to Teton Valley Vision Clinic in Victor, Idaho and you will receive the following:
Complete and thorough eye exam from a licensed eye care professional.

- One pair of custom lenses, based upon required prescription.
- One pair of frames, offered from a selection included in the program. Not all frames on display in the optometrist's office are available.
- One-year warranty on breakage. (TVVC may charge a nominal fee directly to the student to replace lost glasses with the first year.)

Participating Optometrist

Dr. Thomas Simmons, Teton Valley Vision Clinic - (208) 787-3937
10 Cedron Rd, Victor, ID 83455 (Located on Hwy. 33)

Qualifications:

Fund is open to preK-12 students who qualify for free and reduced lunch but do not have insurance through Idaho Medicaid or the Affordable Care Act.

Families on Medicaid are already covered and do not need assistance from this program.

Students may only receive one pair of glasses per calendar year through this program. (Principals may recommend a waiver, if there are extenuating circumstances.)

Qualified students will be given a voucher by their school principal to take to our participating optometrist.

School Principal or Counselor

I authorize this voucher based on qualification guidelines.
